

Future of Healthcare and
Nursing in the Current
Climate

Jo Ann K. Webb, RN, MHA,
FAAN

Vice president for Federal
Relations and Policy

Mission:

To shape health care through innovative and expert nursing leadership

Vision:

Global nursing leadership—
one voice advancing health

Serving Our Members

- Provide **a vision for nursing leadership** to meet the health care needs of society.
- **Influence legislation** and public policy related to nursing and patient care issues.
- Offers services that support and enhance the management, leadership, educational and **professional development of nurse leaders.**

2017-2019 Key Priorities

1. Develop core competencies of nurse leaders across the care continuum to support current and emerging roles.
2. Support the design and implementation of care delivery and population health management models across the care continuum.
3. Support the provision of safe, quality care in delivery systems grounded in healthful practice environments.
4. Communicate the value of nursing in health care across the continuum to all stakeholders.
5. Optimize the operational effectiveness of AONE.

Core Business

- Education
- Engaged membership

VP, care coordination health solutions, Northwell Health System,
New York

The Climate

America First

A Budget Blueprint to Make American Great Again

- **HHS Spending cut by \$15 Billion (17.9% decrease)**
- **Rolls AHRQ into the National Institutes of Health while cutting \$6 Billion from NIH**
- **Eliminates discretionary programs with the Office of Community Services such as Low Income Home Energy Assistance and the Community Services Block Grant because of “their limited impact.”**

Title VII and Title VIII Health Professions and Nurse Training Programs

- Eliminates \$403 million in health professions and nursing training programs, “which lack evidence that they significantly improve the Nation’s workforce.”
- Will fund health workforce activities that provide scholarships and loan repayments in exchange for service in areas where there are shortages of health professionals.
- FY 17 Title VIII \$229.47 Nurse Corps \$83.1
- Loss to Title VIII – 64%

FY 2018 Appropriations

FY 2018 Appropriations

AONE Advocacy: Key Issues

- Protect funding nursing workforce development programs.
- Advocate for data gathering and research on nursing practice.
- Promote the value of nursing leadership .
- Support AHA in its efforts to spare Medicare from further cuts.
- Reduce barriers to full nursing participation in redesign of health care delivery system.
